

## 2014 Annual Paragould PACE Program

This is an annual event sponsored by the Paragould Pilots Association and the FAA FASTeam, the FAA will look at your aircraft and records if available and let you know any concerns they might have no fault. Additionally there will be local CFIs available to fly with you. A safety seminar will be conducted by Bill Morgan, Donis Hamilton and David Cahoon and Mike Wilson with the FAASTeam will have something to say. Lunch will be provided and I am sure there will be a number of aircraft on display.

**Directions:** Exit Hwy 412 on airport road and follow same to terminal building meeting in first big hanger.
